

A large, decorated Christmas tree is the background, adorned with various ornaments including silver and gold spheres, a white angel figurine, and a white paper cutout of a figure. In the foreground, a detailed wooden nativity scene is displayed. The stable has a thatched roof and a golden angel figurine on top. Inside and around the stable, there are figures of Mary, Joseph, baby Jesus in a manger, and three wise men. There are also sheep, a dog, and a small wooden structure with a fire. The scene is lit with warm, golden light.
